Upon the submission to the Assistant Attorney General of the Form I-854 requesting S classification, the period of parole will be automatically extended while the request is being reviewed. The Assistant Attorney General, Criminal Division, will notify the Commissioner of the submission of a Form I-854.

(b) *Termination of parole*—(1) *General*. The Commissioner may terminate parole for any alien (including a member of the alien's family) in parole status under this section where termination is in the public interest. A district director may also terminate parole when, in the district director's opinion, termination is in the public interest and circumstances do not reasonably permit referral of the case to the Commissioner. In such a case, the Commissioner shall be notified immediately. In the event the Commissioner, or in the appropriate case, a district director, decides to terminate the parole of a alien witness or informant authorized under the terms of this paragraph, the Assistant Attorney General, Criminal Division, and the relevant LEA shall be notified in writing to that effect. The Assistant Attorney General, Criminal Division, shall concur in or object to that decision. Unless the Assistant Attorney General, Criminal Division, objects within 7 days, he or she shall be deemed to have concurred in the decision. In the event of an objection by the Assistant Attorney General, Criminal Division, the matter will be expeditiously referred to the Deputy Attorney General for a final resolution. In no circumstances shall the alien or the relevant LEA have a right of appeal from any decision to terminate parole.

(2) *Termination of parole and admission in S classification*. When an LEA has filed a request for an alien in authorized parole status to be admitted in S nonimmigrant classification and that request has been approved by the Commissioner pursuant to the procedures outlined in 8 CFR 214.2(t), the Commissioner may, in the exercise of discretion:

(i) Terminate the alien's parole status;

(ii) Determine eligibility for waivers; and

(iii) Admit the alien in S nonimmigrant classification pursuant to the terms and conditions of section 101(a)(15)(S) of the Act and 8 CFR 214.2(t).

(c) *Departure*. If the alien's parole has been terminated and the alien has been ordered excluded from the United States, the LEA shall ensure departure from the United States and so inform the district director in whose jurisdiction the alien has last resided. The district director, if necessary, shall oversee the alien's departure from the United States and, in any event, shall notify the Commissioner of the alien's departure. The Commissioner shall be notified in writing of the failure of any alien authorized parole under this paragraph to depart in accordance with an order of exclusion and deportation entered after parole authorized under this paragraph has been terminated.

(d) *Failure to comply with procedures*. Any failure to adhere to the parole procedures contained in this section shall immediately be brought to the attention of the Commissioner, who will notify the Attorney General.
